

WMSL 88.9 FM, The Great88.....The Great Music Place in Athens & NE Georgia® has been host of the *Masterful Music* sound for the past 20 years. ***WMSL*** remains the only full time, full service, full power, Christian music station in the Athens region and all surrounding counties of northeast Georgia. The station signed on December 1987, and has been serving as an outreach ministry to families in this area ever since.

WMSL is licensed as a non-commercial, educational, community supported station, and the announcements heard each hour are acknowledgments of businesses and individuals who have chosen to support the station with prayer and funding. All funds and gifts of any kind to ***WMSL*** are fully tax deductible as would be a donation to a 501c-3 organization.

The ***Great 88*** plays a mixture of Christian music favorites that fill the majority of 24 hours in each day. Program material is determined through the counsel of the Holy Spirit, the quality and integrity of content, and a level of excellence in production quality that is beyond the established standard of the broadcast industry. For that reason and legal parameters of the station license, no air-time positions are sold to program producers. Persons having music to introduce through ***WMSL*** should contact the Music Director at 770-725-8890 between 12 noon and 1 p.m. Tuesdays, Wednesdays, and Thursdays. For information about or suggestions for non-music program features, contact the Production Director at the number above between 9 and 10 mornings on the same days.

WMSL studios are located in Bogart just off the Monroe Highway (US 78) on Ruth Jackson Road, as part of the new campus of Prince Avenue Baptist Church and Prince Avenue Christian School. The transmitter site rests atop Mars Hill in Oconee County. For more information on the station or ways you can support the ministry effort, write to ***WMSL***, P.O. Box 8003, Athens, Georgia 30603, or respond via the [Contact Us](#) page on this web site. Don't forget to click on Listen Live and stay tuned in while you're visiting this site.

Thanks for thinking of the *Masterful Music Station....The Great 88!*
